John C. Hageman, the day clerk Room 12 with Night Clerk Earl, Brooks was lying on his back nude. This testimony adds further mystery to what went on in Room 12 on that eventful The bellboy, George Washington, testified that Brooks was in his underclothes when he first went into the room. Dr. Sweeney testified that Brooks was nude, lying on his left side. Hageman says Brooks was undressed,

The question Mr. Backus is trying t soive is who stripped Brooks of his underciothes and turned him over on his side. George Washington testified there was no key to room 12. Hageman to-day swore that there was a key and that he locked the door with it. District-Attorney Jerome said would not lay the case before the Grand

Jury until the examination in the police court had been completed. "I want to give the defense every opportunity," he said. "I shall pu them in possession of every fact the District-Autorney has, so that there

may be no charge of unfairness." This morning's session was delayed by a conference which Justice Mayer. Mr. Backus and Mr. Schurman held in

the Judges' chamber. Mr. Backus said there was no news n the conference. Dr. Sweeney was recalled. He is the physician who was summoned to the lien Island Hotel to attend young
